

EMERGENCY GENERAL SURGERY ROSTER AGREEMENT 2022

PART 1:

Between:

The Australian Medical Association (Western Australia) Incorporated; and

The following Health Service Providers established pursuant to section 32(1)(b) of the *Health Services Act 2016* (WA) (Employer):

- (i) Child and Adolescent Health Service;
- (ii) East Metropolitan Health Service;
- (iii) North Metropolitan Health Service; and
- (iv) South Metropolitan Health Service.

Made pursuant to:

Clause 7. Agreement Flexibility of the *WA Health System – Medical Practitioners – AMA Industrial Agreement 2022* (Industrial Agreement).

PART 2:

- (1) This Agreement details the special arrangements which will apply to General Surgeons who elect to participate in the Emergency General Surgery Roster.
- (2) This Agreement does not replace the Industrial Agreement but to the extent of any inconsistency this Agreement overrides the Industrial Agreement.
- (3) This Agreement will remain in force whilst the Industrial Agreement continues to apply, provided that nothing will prevent the parties agreeing in writing to amend or replace this Agreement during the life of the Industrial Agreement.
- (4) Except for Part 3, this Agreement applies only to the organisation and operation of the various Emergency General Surgery Rosters at Fiona Stanley Hospital, Sir Charles Gairdner Hospital, Royal Perth Hospital and Rockingham General Hospital.
- (5) Where a practitioner elects to participate in a hospital's Emergency General Surgery Roster prior to the commencement of that Roster, this Agreement will apply from the date of commencement of the Roster. Where a practitioner elects to participate after the commencement of the Roster, this Agreement will apply from the date that election is made.
- (6) The date of commencement of a hospital's Emergency General Surgery Roster will be the date on which the first day surgeon shift is worked or the date on which the first on call shift is worked whichever happens first.

of more than 12 hours and up to 16 hours	\$3,543	\$4,031	\$4,604	\$5,313

- (22) The flat rate on call and call back allowances are paid in substitution for all on call and call back allowances and for shift, weekend or public holiday penalties which might otherwise be payable under the Industrial Agreement for the practitioners' rostered periods under this Agreement.

- (23) Where the Industrial Agreement provides that an entitlement to shift, weekend and public holiday penalties or other penalty rate is calculated on the basis of a proportion of salary the reference salary rate will remain the salary prescribed in the Industrial Agreement.

PART 6: OTHER ON CALL COMMITMENTS

- (24) The on call and Call Back and shift, weekend or public holiday provisions of the Industrial Agreement will apply to any other arrangements in which a practitioner may from time to time participate provided that the Industrial Agreement provisions do not apply in any instance that this Agreement applies.

PART 7: DAY SURGEON – SERVICE OBLIGATIONS OF PRACTITIONERS

- (25) Provide Day Surgeon Cover as rostered by the Head of Department. This will be exclusive onsite presence during the rostered period as the Day Surgeon at the rostering hospital (8am until 6pm).
- (26) Withdraw from any other commitments in the public or private sector whilst providing Day Surgeon Cover.
- (27) Attend the hospital as rostered (8am until 6pm), and as Consultant oversee or manage the care of general surgical emergency patients awaiting review, referral, definitive management, treatment and surgery. Supervise and conduct a ward round of an acute surgical admission ward, where one exists, or is created at the hospital, and where one does not exist conduct a ward round of all general surgical emergency patients requiring review within the hospital during the period rostered as the Day Surgeon (8am until 6pm).
- (28) Where practicable, take responsibility for the management of all general surgical emergency patients admitted under general surgery during the rostered period as the Day Surgeon whether coming in during the period you are rostered, or having been admitted previously, and those referred by another unit, requiring emergency management or surgery during that period.
- (29) Where practicable take to theatre all general surgical emergency cases which are ready for; or deemed necessary for surgery during the period and oversee (including where required calling in another surgeon), or perform these operations during that period, on site.
- (30) Supervise on site the running of the emergency theatre at the hospital as it pertains to general surgery cases.
- (31) Provide a handover of general surgical patients requiring emergency care, or concern, as appropriate to the next shift Consultant at the end of your Day Surgeon shift.
- (32) Review surgical referrals that may occur on the day in a timely fashion, give a written or oral opinion, or take over care from the referring unit where appropriate.

- (33) Take over care of any patient that falls within your area of surgical expertise as agreed with the referring team.
- (34) Where the Head of Department is satisfied that a practitioner, rostered as the Day Surgeon, must leave the hospital in order to personally attend to a clinical emergency at another facility (i.e. where there is a clear and present danger of loss of life or limb), the Head of Department will release the Day Surgeon from duty for the period reasonably required to attend to the emergency.

PART 8: ON CALL – SERVICE OBLIGATIONS OF PRACTITIONERS

- (35) Provide Emergency General Surgery On Call Roster cover as rostered by the Head of Department.
- (36) Withdraw from any other on call or availability arrangements in the public or private sector whilst providing Emergency General Surgery On Call Roster cover.
- (37) Attend as appropriate the hospital when recalled by a Registrar, Anaesthetist, Emergency Department Physician, ICU Consultant, or other Medical or Surgical Unit within the hospital.
- (38) Where practicable take responsibility for the management of all general surgical emergencies whether coming in during the period on call, or having been admitted previously and those referred by another unit, requiring emergency management or surgery during that period.
- (39) Where practicable, take to theatre all general surgical emergency cases which are ready for, or deemed necessary for surgery during that period and oversee, including where required calling in another surgeon, or perform these operations during that period.
- (40) When rostered on weekends on call, the practitioner will conduct a daily ward round of all general surgical emergency patients needing review, management, treatment and surgery, or referred, and all patients under the practitioner's care. Routine weekend ward rounds will not be paid as a call back because compensation is included in the flat rate on call payment. If, in the course of a daily ward attendance the immediate needs of patients are such that the attendance extends beyond one hour the practitioner is entitled to claim the attendance as a call back.
- (41) The service obligations on public holidays are the same as those for weekends.

PART 9: EMPLOYER OBLIGATIONS

- (42) Clause 31: Staffing of the Industrial Agreement applies to this Agreement and accordingly:
 - (1) Medical staffing levels will be determined by the employer, having regard to contemporary benchmarking and best practice parameters.
 - (2) Where a practitioner:

- (a) resigns, is terminated, transfers or otherwise vacates a position; and
- (b) the employer determines that the position will be filled,

action to fill the vacancy will be commenced, in consultation with the Head of Department, as soon as reasonably practicable.

- (43) Clause 58: Introduction of Change and Clause 59: Dispute Settling Procedures of the Industrial Agreement apply to this Agreement and major changes in the production, programme, organisation structure or technology of surgical services will be addressed by the parties' in accordance with these provisions.
- (44) The Head of Department may, subject to Clause 59: Dispute Settling Procedures of the Industrial Agreement, suspend the application of these arrangements to an individual practitioner if he is satisfied that the practitioner is not sustaining their participation in the Emergency General Surgery Roster. In this event the prevailing Industrial Agreement will apply in lieu of these arrangements.
