Acknowledgements

This report would not have been possible without the assistance of the following people. Their contributions are greatly appreciated.

Somer Dawson, Glenn Draper and Stephanie Tomlin.

We would also like to thank the following Steering Committee members for their valuable input: Sylvia Griffiths, Karina Moore, Avonia Donnellan, Sylvie Price, Deborah Costello, Tracy Fuhrmann, Ann Barblett, Veronica Hoad, Kathy Crouchley, Anthony Gunnell, Isabel Redfern and Harriett Pears.

List of Tables

Table 1:	Number of injury deaths by cause and year, WA, 2000–2007	5
Table 2:	Number and age-standardised rates of injury hospitalisations by cause and year, WA, 2000–2008	6
Table 7:	Number and age-standardised rates of injury hospitalisations , Males, WA, 2000–2008	7
Table 8:	Number and age-standardised rates of injury hospitalisations , Females, WA, 2000–2008	8
Table 3:	Number of injury deaths by cause, WA, 2000–2007	9
Table 4:	Age specific rates of injury deaths by cause, WA, 2000–2007	10
Table 5:	Number of injury hospitalisations by cause and age group, WA, 2000–2008	11
Table 6:	Age specific rates of injury hospitalisations by cause and age group, WA, 2000–2008	12
Table 9:	Number and age-standardised rates of injury hospitalisations , Aboriginal people, WA, 2000–2008	13
Table 10:	Number and age-standardised rates of injury hospitalisations , Aboriginal males, WA, 2000–2008	14
Table 11:	Number and age-standardised rates of injury hospitalisations , Aboriginal females, WA, 2000–2008	15
Table 12:	Number and age-standardised rates of injury deaths by socioeconomic status and cause, WA, 2000–2007	16
Table 13:	Number and age-standardised rates of injury hospitalisations by socioeconomic status and cause, WA, 2000–2008	17
Table 14:	Number and age-standardised rates of injury hospitalisations by socioeconomic status and cause, Males, WA, 2000–2008	18
Table 15:	Number and age-standardised rates of injury hospitalisations by socioeconomic status and cause, Females, WA, 2000–2008	19
Table 16:	Number and age-standardised rates of injury deaths by remoteness of residency and cause, WA, 2000–2007	20
Table 17:	Number and age-standardised rates of injury hospitalisations by remoteness of residency and cause, WA, 2000–2008	21
Table 18:	Number and age-standardised rates of injury hospitalisations by remoteness of residency and cause, Males, WA, 2000–2008	22
Table 19:	Number and age-standardised rates of injury hospitalisations by remoteness of residency and cause, Females, WA, 2000–2008	23
Table 20:	Number and age-standardised rates of injury hospitalisations by health regions and cause, WA, 2000–2008	24
Table 21:	Number and age-standardised rates of injury hospitalisations by health regions and cause, Males, WA, 2000–2008	25
Table 22:	Number and age-standardised rates of injury hospitalisations by health regions and cause, Females, WA, 2000–2008	26

Notes for all tables:

1. For confidentiality reason, numbers of deaths or hospitalisations with a count <5 are not reported but labelled as “n/a”.
2. To ensure the reliability of the age standardised rates (ASRs), if numbers of deaths or hospitalisations are <20, no ASRs are reported but labelled as “n/a”.

Table 1: Number of injury deaths by cause and year, WA, 2000–2007

Year	Number of deaths									
	Unintentional injuries						Intentional injuries		Undetermined	Medical complications
	Land transportation	Drowning	Poisoning	Falls	Fires, burns and scalds	Other unintentional	Suicide	Interpersonal violence
